Philipp A. Peters is partner at Konrad Partners.

He acts both as counsel and arbitrator in international ad hoc and institutional arbitration proceedings. He regularly represents clients in disputes involving international delivery and supply contracts, complex engineering and construction projects and joint ventures, in particular in the area of industrial engineering. Furthermore, he advises clients in relation to the preparation and drafting of international projects and delivery contracts, on the growing impact of data protection and data privacy laws, and on the legal structuring of commercial projects.
